

## Minton Sparks quote sheet

“There’s no one quite like Sparks on the contemporary music scene—no one with her ability to find and describe the haunting rhythms of this world in such precise, unadorned terms.”  
May 2004 Performing Songwriter

“Like a backwoods Lucinda Williams or Gillian Welch, or perhaps more accurately, an existentialist Jo Carol Pierce, Minton Sparks has an eye for detail and a flair for story telling that marks her as an unmitigated original” No Depression

“Minton Sparks sounds like my momma,, and my aunt Dot, and my aunt Grace and even a bit like my Uncle Jack—only better and wilder and heartbreakingly more powerful”  
--Dorothy Allison

“Minton Sparks writes with mysticism and satire and reads with so much rhythm and reflection she’s an instrument all her own.” Acoustic Guitar Magazine

“This Dress” is an album for everyone, no matter who they are or where they’re from, the walk of life is offered here, step by step with roughshod grace, a twinkle in the eye, and the passing of another day. Brilliant.” All Music Guide
